Standard Issue Computer Equipment

Overview

Employees eligible to receive a new laptop or desktop computer will be given standard issue equipment. Any employee who wants to request equipment above the standard issue will need to have approval from their departmental supervisor and have the difference in cost between a standard issue and the requested equipment charged to their department. **IT will only cover the cost of Standard Issue Equipment.**

HP Computers

Standard HP Desktop Computer

**Note:** Starting in Fiscal Year 18/19 our standard desktop will go to a "Mini Form Factor" which will not include a CD/DVD drive.
